

eero 6+

Supports speeds up to a gigabit.

Dual-band mesh Wi-Fi 6 router capable of supporting speeds up to a gigabit.

eero 6+ supports additional wifi bandwidth on the 160 MHz radio channel—so your home or business has enough wifi to work, stream, and video chat.

TOP PRODUCT BENEFITS

Gigabit speeds for less

Supports network speeds up to 1 Gbps without the premium price tag—eero 6+ is our most affordable gigabit system ever.

Advanced security

Receive automatic updates to help keep your network safe and secure—online security and additional network management features available via a separate subscription.

World-class customer support.

Our highly trained support team is ready to help resolve any wifi issues by email at support@eero.com or by phone in the U.S. at +1-877-659-2347.

Keep it all connected

Supports 75+ devices—with up to 1,500 sq. ft. of coverage per unit.

Experience the eero TrueMesh difference

Patented TrueMesh technology intelligently routes traffic to reduce drop-offs and eliminate dead spots.

PACKAGING INCLUDES

One eero 6+, one 15W USB-C power supply unit, and one eero CAT5e Ethernet cable

OPTIONAL ACCESSORIES

15W USB-C power supply unit, eero CAT6a Ethernet cables, and wall mount.

Works with other eeros

With cross-compatible hardware, you can easily add eero products as your needs change.

Manage it all from the app

The eero app guides you through setup and allows you to manage your network from anywhere.
